

**Oakland Youth Orchestra  
Circle Donations  
2010-2011**

We encourage you to enjoy the benefits of a charitable gift contribution during this, our 35<sup>th</sup> performance season. It is through the support of Michigan Council for Arts and Cultural Affairs, Oakland University, our families, friends, and local business that we are able to continue our mission. Tuition alone covers only 65% of operational expenses. Tax-deductible donations are a vital component of Oakland Youth Orchestra's operating budget. We rely upon ticket sales, Program Advertising, and Circle Donations to gain the balance of funds with which to meet our budget needs. Your contribution helps support the cultural enrichment of our students and community. The following Patron levels have been created for those able to support OYO with their tax-deductible gift. All patrons receive recognition in our concert program.
