

# Oakland Youth Orchestra Circle Donations 2008-2009

We encourage you to enjoy the benefits of a charitable gift contribution during this, our 33<sup>rd</sup> performance season.

Indeed, the beautiful music created by our talented children is a treasure to be valued. However, educational costs of a child's OYO experience are not entirely covered by tuition.

**We rely upon ticket sales, program advertising, and Circle Donations to gain the balance of funds with which to meet our budget needs.**

Your contribution helps support the cultural enrichment of our students and community.

The following Patron levels have been created for those willing to endow OYO with their tax-deductible gift. All patrons receive recognition in our concert program.
